PROFESSIONAL INDEMNITY (PI)

Our Professional Indemnity insurance (also known as Errors and Omissions insurance) provides professional companies with peace of mind.

No matter how large or small a business, without PI cover your financial position could be left vulnerable if a claim is brought against you. Although most professionals strive to provide the best service possible, people do make mistakes; knowing that adequate insurance is in place will give you peace of mind that your organisation is covered.

We cover companies, their Directors, Partners and Employees on a Civil Liability basis for claims arising from the services being provided to, or on behalf of their customers.

▶ WHO is covered?

- Commercial entities in the private and public sectors world-wide, including partnerships (Accountants, Solicitors and the like) plus Banks, Building Societies, Trust Companies, Insurance Companies, Investment Managers, Private Equity (plus portfolio companies), Venture Capital (plus portfolio companies), Stockbrokers, Investment Funds
- Anyone for whose acts the organisation is legally responsible, including full, part time or temporary employees and approved persons of the company and its subsidiaries

▶ WHAT is covered?

- Damages and defence costs arising out of third party claims for Civil Liability arising from the organisation's provision of professional services
- Investigations costs arising out of an organisation's need to protect itself against formal hearings, investigations or inquiries
